PREAMBLE

In recognition of our mutual interests this Agreement is entered into for the purpose of recording salaries, hours and working conditions and of establishing the means of settling amicably any differences or grievances which may possibly arise; and for the general purpose of facilitating and promoting the best operating and personal relationships of which we are jointly capable as members of the University community.

The parties are committed to the general principles of employment equity.

ARTICLE 1 – DEFINITION

1.01 Members of the Bargaining Unit as defined by this Agreement are all employees of Queen's University working in a technical capacity in any teaching or research laboratory, a shop related to a laboratory, or other related areas or other mutually agreed areas (as listed in Schedules F and G); save and except:

- persons who are employed for 17.5 hours or less in a week;
- supervisors, and those above the rank of supervisor, who would be excluded under the Ontario *Labour Relations Act, 1995*, SO 1995, c 1, Sch. A, as amended from time to time (hereinafter, the "*Labour Relations Act*");
- persons who are presently covered by other Collective Agreements;
- persons employed as secretarial, clerical and administrative staff;
- persons employed whose primary function is to teach credit courses;
- persons employed on academic/adjunct appointments;
- persons for whom the possession of a graduate degree in science or engineering is a predetermined job specification;
- persons who are employed to work on research programmes or projects in academic faculties under the direction of a Principal Investigator(s).

*It is understood by the University and the Union that persons employed to work on research projects or programmes may perform technical work for the University other than work of the research programmes or projects, though such work performed shall not become their primary work nor shall the work be permitted to violate the terms of the Collective Agreement. It is further understood that when a member of the bargaining unit performs work in support of a research programme or project, his/her position will not be removed from the bargaining unit.

Either party may ask for a review of any specific situation arising under this Article by the Union Management committee. When such a review is requested, the University will provide all relevant information to the Union to substantiate its decision to exclude a position from the bargaining unit. If the matter is not resolved at this level it may be referred to the second stage of the grievance procedure. If the matter is not resolved through the grievance procedure it may be referred to arbitration for decision.

Where the singular is used in the Agreement, it shall mean and include the plural where the context so implies.

The Employer will provide the following electronic lists on April 30 and October 31 each year to the Union:

- a) A listing of all current employees working in a technical capacity in a teaching or research laboratory, a shop related to a laboratory, or the other related areas save and except for those persons specifically excluded under Article 1.01 of the collective agreement.
- b) A listing of all current employees working in a technical capacity in any of the mutually agreed areas (those areas identified as headings in the list of positions set out in Schedules F and G).

1.02 *Term Appointments*

1.02.1 A term appointment is one in which the beginning and end dates of employment are clearly identified in the appointment letter.

1.02.2 It is agreed that employees employed on term appointments (hereinafter referred to as term employees) are covered by the terms of this Collective Agreement except for those Articles and conditions set out below:

- a) It is agreed that there is no guarantee or commitment of employment to an employee beyond that which is identified in his/her appointment letter.
- b) Term appointments normally are from 3 months to 1 year in length, though such an appointment may be for a longer period under special circumstances such as, Long Term Disability, Family Leave or Leave of Absence.
- c) Prior to hiring or renewing an employee on a term appointment, Human Resources staff will evaluate a job description submitted by the Department Head/Designate and determine the appropriate salary range and hiring salary in accordance with the Salary Administration provision of this Agreement. If the original appointment letter indicates a period of employment of more than 12 months, or if the employee's actual period of employment in the same position exceeds 12 months, the position description will be submitted for evaluation by

the Joint Technical Position Evaluation Committee at the beginning of the thirteenth month of employment. If this evaluation results in a salary increase, the increase shall be made effective to the beginning of the thirteenth month of employment.

- d) Notwithstanding Article 20.01, term appointments of 3 to 6 months duration will not normally be posted; however, written notice will be sent to the Union.
- e) For the purposes of seniority, term employees will not be considered as new employees if they are rehired within 6 months of a previous termination.
- f) Notwithstanding Article 16 (Sick Leave), term employees shall be entitled to accumulate paid sick leave determined at the rate of 2 days per calendar month of their appointment to a maximum of 60 days.
- g) Notwithstanding Article 11 (Layoff and Recall), in the event of a layoff the University will provide as much advance notice as possible to term employees. However, term employees shall not be entitled to recall rights.
- h) Term employees shall not be covered by the following articles or clauses of the Collective Agreement: Article 11, Article 16.01, Article 16.02, Article 20.05.
- i) Term employees whose employment has been renewed beyond the original term appointment, and whose appointment will not be renewed again, will be given a minimum of 2 weeks' notice or notice pursuant to the Employment Standards Act, whichever is greater, confirming the end date stated in their subsequent appointment letter.
- j) Term employees who are laid off are entitled to severance pay in accordance with Appendix B, Chart B.

1.03 Definitions

A *continuing appointment* is an appointment that is confirmed by a letter from Human Resources in which no termination date is stated.

A *continuing term appointment* is an appointment that is confirmed by a letter from Human Resources in which the appointment is for a recurring fixed period of time, for example, September 1 to May 31 annually.

A *term appointment* is one in which the beginning and end dates of employment are clearly identified in the appointment letter from Human Resources beyond which there is no guarantee or commitment of employment to an employee.

A *designate* is a non-union employee assigned by the Department Head to act on his/her behalf for the purposes of this Collective Agreement. The Employer shall advise the Union

of the names of the designates in each department from time to time in order to identify key contact persons for stewards.

ARTICLE 2 – UNION RECOGNITION

- 2.01 The Employer recognizes the Canadian Union of Public Employees and its Local 254, as the exclusive bargaining agent defined in Article 1, in respect of salaries, hours of work and other working conditions.
- 2.02 No person shall hold meetings, collect Union dues, solicit membership or conduct any other such Union activities during working hours on the property of the Employer except such activity as is specifically permitted by this Agreement.
- 2.03 The Employer shall deduct monthly Union dues from all employees covered in Article 1. Such dues shall be deducted from the monthly pay and shall be remitted through electronic transfer of funds, and a list of the names of the employees on whose behalf union dues are deducted will be forwarded to the Secretary-Treasurer of Local 254 together with two lists of the employees on whose behalf such Union dues are remitted, whenever possible before the end of the month. Dues will be deducted for the first month of employment if the starting date is anytime during that month. Dues will also be deducted from the last month of employment, regardless of termination date. A statement of Union dues will be included on employee T-4 slips.
- 2.03.1 Union membership is required as a condition of employment as of the date of July 1, 1981. Employees who are not Union members on that date do not have to join. All employees who are Union members as of that date must continue their membership.
- 2.04 The Employer shall provide the Union with a copy of the appointment letter (including salary) of each new employee in the bargaining unit not later than 1 week after the starting date.
- 2.04.1 The Employer agrees that on the last Friday of the first month of employment and the last Friday of the sixth month of employment, all new employees shall be required to attend a meeting with 2 members of the Union Executive to explain the function of the Union for a period not to exceed 1 hour from the normal work day. Such employees attending this meeting plus the two members of the Union executive in attendance shall suffer no loss in wages. It is understood by the Union that where there is more than one new employee, the Union shall hold a common meeting for all such employees.
- 2.05 The Employer shall provide the Union in advance with the names of employees or of positions that it intends to terminate from the bargaining unit and the date of such terminations. If the termination is brought about by the removal of a position from the bargaining unit, prior discussions a month in advance must take place between

the University and the Union. During these discussions the University will outline the reasons for this action and receive alternative proposals, if any, from the Union.

ARTICLE 3 – NO HARASSMENT AND DISCRIMINATION

- 3.01 The Employer and the Union agree that they will not discriminate against any employee, or intimidate, threaten, coerce or restrain any employee because of membership or non-membership, past or present in the Union.
- 3.02 The parties are committed to creating and maintaining a working environment that is founded on the fair treatment of all members of the University community. Therefore, the parties do not condone behaviour that is contrary to the *Human Rights Code*, RSO 1990, c H.19, as amended from time to time (hereinafter the “*Human Rights Code*”) the University's *Harassment and Discrimination Policy*, or the *Occupational Health and Safety*, RSO 1990, c O.1, as amended from time to time (hereinafter, the “*Occupational Health and Safety*”).
- 3.02.1 Harassment in the workplace is defined as engaging in a course of vexatious comment or conduct against another person or persons in the workplace that is known or ought reasonably to be known to be unwelcome. It includes objectionable acts, comments, or displays that demean, belittle, or cause personal humiliation or embarrassment, and any act of intimidation or threat.
- 3.02.2 Harassment is not properly discharged supervisory responsibilities including performance evaluation, disciplinary action, day-to-day management of the operation, or conduct that does not interfere with a climate of understanding and respect for the dignity and work of Queen's University employees.
- 3.02.3 Employees found to have harassed or discriminated against another person(s) could face disciplinary action ranging from verbal warning up to and including termination.
- 3.02.4 The Employer agrees that information and training regarding harassment and discrimination is essential and will work with the Union to ensure bargaining unit members are provided with appropriate information and training about the University's discrimination and harassment policies and programs, which will include information about applicable legislation.
- 3.02.5 The parties agree that allegations of discrimination and harassment should be dealt with in a timely manner. Therefore, allegations of discrimination and harassment will be investigated on a timely basis and in cases where harassment or discrimination is/are found to have occurred, the situation may be addressed through education or mediation, as may be appropriate to the specific circumstances of a case. Such education or mediation may be part of the informal resolution stage of the grievance procedure if the matter is pursued under that procedure.

- 3.02.6 The parties agree that the preferred method of handling complaints is to follow the procedures outlined in the University's *Harassment and Discrimination Policy* if the subject matter of the complaint is one covered by that Policy.
- 3.02.7 Alternatively, any allegation of discrimination or harassment in the workplace, including an allegation of *Code*-based discrimination or harassment, may be filed in accordance with the grievance and arbitration procedures set out in this agreement.
- 3.02.8 An allegation of discrimination or harassment in the workplace, where the subject matter is not covered by the University's *Harassment and Discrimination Policy*, will, if not otherwise resolved, be processed as a grievance in accordance with the collective agreement.
- 3.02.9 If an allegation(s) pursued under the grievance procedure is against the person who would normally deal with the first step of such a grievance, the next level of supervision will hear the grievance
- 3.02.10 Where a complaint is dealt with under the University's *Harassment and Discrimination Policy*, the timelines for the grievance and arbitration procedures shall be automatically extended until the procedures under the Policy have been completed.
- 3.02.11 An employee also has the right to file an application directly with the Human Rights Tribunal of Ontario. Once an application has been filed with the Tribunal all other related proceedings under this Article will be suspended and, applicable grievance and arbitration timelines will be extended until those proceedings are concluded.
- 3.02.12 In cases where sexual harassment may result in the transfer of a person, the complainant shall not be transferred against his/her will; unless otherwise agreed, it shall be the harasser who is transferred.

ARTICLE 4 – THE EMPLOYER'S RIGHTS

- 4.01 The Union recognizes the right of the Employer to manage the business in which it is engaged, to maintain order and efficiency, to hire, promote, transfer and to increase and decrease working forces provided that in carrying out these rights it does not violate the specific provisions of this Collective Agreement. Furthermore, the Union recognizes the right of the Employer to demote, suspend, discharge or otherwise discipline employees for just cause subject to the right of the employee affected to lodge a grievance as provided for in Article 7.
- 4.02 The Union further acknowledges that the Employer has the right to make and alter, from time to time, rules and regulations to be observed by employees, which rules and regulations shall not be inconsistent with the provisions of this Agreement.

- 4.03 Subject to the provisions of this Collective Agreement and in the interests of efficient operation, the Union agrees that the Employer may at any time, subject to reasonable notice to the Union, determine or change work schedules and assignments or methods. If there is a claim of discriminatory action by the Employer in this regard, the aggrieved employee may, if he/she so desires, make it the subject of a grievance in the manner hereinafter provided.
- 4.04 The Employer may engage students or other persons for summer and other temporary or special employment providing that such employment does not contravene any Article of the current Collective Agreement. Any employees engaged under this clause will automatically come under the jurisdiction of the Union once the period of employment exceeds 3 months (4 months for summer students).
- 4.05 No job in the bargaining unit will be performed by non-bargaining unit personnel for more than 3 months (4 months for summer students) in any 12 month period. However, any member of the bargaining unit who has been laid off and had recall rights under Article 10.05(c) would have priority in filling those positions within the same department where the duties were previously carried out by members of the bargaining unit.

ARTICLE 5 – RETIREMENT AGE

- 5.01 Normal retirement age as defined under the Queen's Pension Plan is 65; however, retirement at age 65 is not mandatory. An employee's effective retirement date is the last day of the month in which an employee elects to retire. The Employer will notify each employee approximately six months prior to the employee reaching age 65 to discuss the employee's options under the pension plan.
- 5.02 Employees who elect to retire shall, wherever possible, notify their department and the Pension Unit at least 6 months prior to their retirement date to discuss and begin making necessary arrangements for retirement. The union will receive notification of such retirements.
- 5.03 Should an employee retire early any time after reaching the age of 55 and actually commences his or her pension and has at least 10 years of service, the University will continue to pay its share of the Queen's Supplementary Medical insurance premium until normal retirement date. Between age 55 and 60 the employee would pay his or her share of the above premium and between ages 60 and normal retirement date the University would pay the employee's share of the cost.

ARTICLE 6 – STRIKES AND LOCKOUTS

- 6.01 The Union agrees that there will be no strikes and the University agrees that there will be no lockouts as long as this Agreement continues to operate. The terms "strike" and "lockout" shall bear the meaning given them in the *Labour Relations Act*.

- 6.02 Should a strike or shutdown occur, the Union shall forthwith disclaim responsibility and shall; by means of a written notice, advise its members to carry out the terms of the Agreement.

ARTICLE 7 – GRIEVANCES

- 7.01 The Union shall elect or otherwise appoint a Grievance Committee, which shall be recognized by the University for the purpose of grievance adjustment. The Union shall advise the University of the names of the Committee as well as such changes in its personnel as may occur from time to time.
- 7.02 Any employee having a complaint should discuss the matter with his or her immediate supervisor. An employee, upon his or her request, may be accompanied by a member of the Grievance Committee during such discussions.
- 7.03 Any employee may present his/her complaint personally or may be represented or assisted by a member of the Grievance Committee. Such employee shall be entitled to examine documents pertinent to his/her personal complaint.
- 7.04 *(Stage One)* Any complaint that has not been dealt with to the satisfaction of the employee concerned may be presented as a written grievance to the Department Head/Designate within 15 working days of the circumstances giving rise to the grievance.
- 7.04.1 The Department Head/Designate shall, upon receipt of the grievance, schedule a meeting with the grievor and a representative of the Union to hear and discuss the grievance. This meeting shall be held within 10 working days after receipt of the grievance. Following the meeting, the Department Head/Designate will give a written decision within 3 working days.
- 7.05 *(Stage Two)* If the grievance is not resolved at Stage One, it may be presented to the Director, Employee and Labour Relations in Human Resources or his/her designate within 10 working days after the Stage One decision has been received.
- 7.05.1 Upon receipt of the grievance, the Director, Employee and Labour Relations in Human Resources or his/her designate will meet with the Grievance Committee, and a representative of the Canadian Union of Public Employees, to discuss the matter. This meeting shall be held within 10 working days after the receipt of the grievance. A written decision on the grievance will be given within 5 working days after the meeting.
- 7.06 The time limits specified in Articles 7.04 and 7.05 may be extended by mutual consent. The parties agree that employees should not harbour grievances; they should bring them to the attention of the Employer without delay. Accordingly, it is

agreed that no grievance shall be considered unless submitted in writing within 15 working days or as soon as the circumstances giving rise to the grievance are known.

- 7.07 Any difference arising directly between the Union and the Employer involving the interpretation or alleged violation of this Agreement which cannot otherwise be dealt with under this Article because of the inability or refusal of an employee to submit a grievance, or where the grievance affects a group of employees, or a department, or the University as a whole, may be submitted by the Union in writing, at the second stage, and dealt with as a proper grievance under the grievance procedure. Failing satisfactory solution within the time period spelled out in Article 7.06 such grievances may be referred to Arbitration.
- 7.07.1 Any such grievance, as described above, which refers to a matter involving only one department, shall be submitted at Stage One to the Department Head/Designate of the department concerned.

ARTICLE 8 – ARBITRATION

- 8.01 Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any question as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the parties may within 1 month of receiving the stage two written reply after exhausting the grievance procedure established by this agreement, notify the other party in writing of its desire to proceed to arbitration.
- 8.01.1 The referring party shall indicate whether it intends to proceed with the matter before a Board of Arbitration or sole Arbitrator. Subject to the provisions of section 49 of the *Labour Relations Act*, either party may request that the Minister appoint a sole arbitrator.
- 8.01.2 If the referring party is requesting appointment of a sole arbitrator it shall, in its notice of intent to proceed to arbitration, suggest a person to serve as arbitrator. The other party shall respond within 10 working days, either agreeing to the proposed sole arbitrator or suggesting alternative arbitrators. If the parties cannot agree on an arbitrator within 30 days, either party may request the appointment be made by the Minister of Labour for the Province of Ontario, or continue to attempt to reach agreement.
- 8.01.3 A request for a board of arbitration shall name the party's nominee to the board of arbitration. The recipient of the notice shall within 10 working days, advise the other party of the name of its nominee to the board of arbitration. The nominees to the board of arbitration shall then meet to decide upon the selection of the chairperson of the board. If the parties cannot agree upon the selection of the chairperson within 21 days, either party may request that the appointment of the chairperson be made

by the Minister of Labour for the Province of Ontario, or continue to attempt to reach agreement.

Decisions of the Arbitrator or Arbitration Board

8.02 The sole arbitrator or arbitration board shall hear and determine the difference or allegation and shall issue a decision, and the decision shall be final and binding upon the parties and upon any employee affected by it. In the case of an arbitration board, the decision of the majority shall be the decision of the board. Where there is no majority decision, the decision of the chairperson shall be the decision of the board.

8.02.1 In no event, however, shall any sole arbitrator or board of arbitration have the authority to make any decision which is inconsistent with the terms of this agreement or to change, alter, modify, or amend any of the provisions of this agreement. The sole arbitrator or board of arbitration shall deal solely with the matter in dispute within the confines of this collective agreement and any legislation over which they have the jurisdiction to interpret and apply pursuant to the *Labour Relations Act*.

8.03 *Discipline or Discharge Cases*

In the event that a sole arbitrator or board of arbitration deals with a matter relating to discharge, suspension, or disciplinary action, then the sole arbitrator or board has the authority to reinstate an employee with or without full or partial compensation for salary and any other benefits lost, or to make any award it may deem just or reasonable which would be consistent with the terms of this agreement.

8.04 *Arbitration Expenses*

Each party shall bear the fees and expenses of its own nominee, if any, its witnesses (subject to Article 8.05) and of the preparation and presentation of its own case. The fees and expenses of the Chairperson or sole Arbitrator incidental to the Arbitration hearing shall be borne equally by the parties.

8.05 *Payment during appearances*

The Employer will pay the regular wages (not to extend beyond normal working hours) for up to 4 Bargaining Unit members, including the grievor(s), Grievance Committee members or Bargaining Unit members called by the Union as witnesses, while they are at an arbitration hearing on behalf of C.U.P.E. Local 254, in matters between Queen's University and C.U.P.E. Local 254. A copy of all requests for leaves under this article shall be submitted to the Director, Employee and Labour Relations in Human Resources as much in advance as possible.

8.06 *Time Limits*

It is agreed that the time limits referred to in Article 8 may be extended by mutual consent.

8.07 *Clarification of Decisions*

Should the parties disagree as to the meaning of the decision, either party may apply to the sole arbitrator or the board of arbitration to reconvene the board, whichever is applicable, to clarify the decision.

ARTICLE 9 – HOURS OF WORK

9.01 The normal hours of 35 hours per week for all employees shall be on the basis of 7 hours per day Monday to Friday.

9.01.1 Subject to operational considerations and a review at least annually, flexible hours may be arranged with the mutual consent of the employee and the Department Head/Designate. An employee who is granted flexible hours, shall, at the requirement of the Employer, return to normal hours.

9.02 The normal hours for a department shall be identified as from 8:30 a.m. to 4:30 p.m. When circumstances are such that the above schedule cannot be strictly adhered to, or when it would appear to be inadvisable and/or inexpedient to adhere strictly to it, the Department Head/Designate shall be allowed to arrange a mutually satisfactory schedule in which the minimum weekly hours (35) are distributed over the working days specified above in a different manner. In no case shall such a schedule provide for a normal starting hour earlier than 7:00 a.m. or a normal leaving time later than 11:00 p.m. Deviations outside these hours will be only allowed as overtime.

9.03 Throughout the year, where the operational needs of a department will permit, individual employees may make application to their supervisors for slightly different starting and finishing times. Where conflict arises between 2 or more qualified employees who are able to perform the required work, the choice of the senior employee shall be granted.

9.04 The lunch period will be 1 hour scheduled between 11:00 a.m. and 2:00 p.m. (normally scheduled between 12:00 noon and 1:00 p.m.). During the summer period individual employees, with the approval of their Department Head, may choose a one-half hour lunch break.

9.05 It must be emphasized that, while Queen's University wishes to provide wherever possible some flexibility in working hours for the convenience of its employees, its first responsibility is to fulfill its functions as an academic institution. Each department must be open and adequately staffed during the basic working period

and in some cases this may mean that individuals cannot be assigned the hours which they prefer.

9.06 The minimum weekly hours (35) shall be reduced by the appropriate number of hours in those weeks in which the paid holidays specified in Article 13 occur.

9.07 Where a department is required to work on a seven day schedule, the posted schedule will provide for not less than two weekends off during each three week period. However, because of the operational needs of Departments, such schedules may have to be revised occasionally and in order to consider the wishes of the employees, such changes will be made in consultation with a Union representative.

9.08 All scheduled hours of work on Saturday and Sunday shall be paid for at one and one-half (1½) times the employee's normal rate.

9.09 Computer Operators in Information Technology Services shall be scheduled on the basis of an average of 35 hours per week. The precise details of the schedule shall be worked out between Management and the affected employees. The schedule shall cover the 24 hour operation of the Unit.

9.09.1 Computer Operators shall be paid a shift premium of \$0.60 per hour for all scheduled hours worked on the afternoon shift between 4:00 p.m. and 11:59 p.m. (midnight).

9.09.2 Computer Operators shall be paid a shift premium of \$0.65 per hour for all scheduled hours worked on the night shift between 12:00 a.m. (midnight) and 8:00 a.m.

9.09.3 The parties agree that such premiums described above shall be annualized, based on the projected annual schedule and paid out on a monthly basis using the following formula:

$$\text{Annualized Premium} \div 12 = \text{monthly shift premium lump sum amount.}$$

9.09.4 It is understood that Computer Operators may trade shifts from their respective rotations. Such trade-offs shall not result in a recalculation of the shift premiums.

9.09.5 Based on the current shift schedules for the employees, 3 hours out of the rotation is used for standby* on weekends. If an employee is called into work however, they shall be compensated in accordance with Article 12.01 of the Collective Agreement.

* For the purposes of clarity, it is understood by the parties that “standby” as used in 9.09.5 above means that an employee may be paged while off duty to respond to work-related questions by telephone. This includes the understanding that the employee may be required to carry a pager.

9.09.6 The schedule arrangement for the Computer Operators will be reviewed annually by the Union/Management Committee.

- 9.09.7 Computer Operators are specifically excluded from Articles 9.01, 9.02, 9.03 and 9.04.
- 9.10 Employees in the Campus Networks Unit of Information Technology Services may be given the opportunity to volunteer to participate in various on-call arrangements. Failing sufficient numbers of volunteers to cover the work, the Employer will designate employees of the unit who will be required to work on an assignment under the following conditions:
- 9.10.1 When an Employee is assigned by the Employer to be "on-call" during the week (Monday to Friday), he/she shall be paid an additional 1 hour pay at his/her regular rate for each 8 hours the Employee is assigned to "on-call". When an Employee is assigned by the Employer to be "on-call" Saturdays, Sundays and Statutory Holidays, he/she shall be paid an additional 1 hour pay at his/her regular rate for each 6 hours the Employee is assigned to "on-call". If the employee is called in to work he/she shall be paid according to Article 12.01 of the Collective Agreement.
- 9.10.2 Employees "on-call" shall be issued pagers which they shall be required to carry at all times during their "on call" assignment. They shall also be required, if paged, to immediately telephone the caller; and if requested to report to work, to do so without undue delay.

- 16.06 Employees are expected to notify their non-union supervisor or designate as early as possible of their expected date of return to work.
- 16.07 Employees may be requested to provide the Employer with a doctor's note certifying that the employee has been in the care of a doctor and:

Similarly, if the employee provided acceptable proof of entitlement to leave under Article 15.03.2, Bereavement Leave, such leave may also be substituted for vacation. The resulting unused vacation would then be rescheduled at a mutually convenient later date.

ARTICLE 17 – UNION LEAVE

- 17.01 Leave of absence without pay will be granted to employees elected or appointed to represent the Union at Union conventions and seminars. Such time shall not exceed 15 working days for any 1 individual or 40 working days for the bargaining unit in any 1 calendar year. - 17.02 The Employer recognizes the role of elected Union officials in labour management relations and shall not discriminate against them.

- 17.02.1 The Union recognizes that elected Union officials have duties to perform for the Employer and that the Union officials will not absent themselves from such duties unreasonably to attend to Union duties as outlined by the terms of this agreement. Union officials shall provide a minimum of 3 days written notice, where possible, to their non-union supervisor when requesting leave to attend to such Union duties.
- 17.02.2 In consideration of this acknowledgement and undertaking, the Employer agrees that Union officers will not suffer a loss in pay for time spent in carrying out their normal functions as outlined in this agreement, as well as the following:
- a) The Employer agrees to recognize and deal with a Union Grievance Committee of not more than 3 employees including the Local Union President.

The Steward or Grievance Committee member shall report back to their non-union supervisor or designate upon returning to work.
 - d) Any Union Steward or Grievance Committee member dealing with a grievance arising out of this Agreement, and not in his/her own department, shall request permission from the non-union supervisor or designate in that department before contacting any, employee therein regarding a complaint or grievance. Union officers shall report back to their non-union supervisor or designate when the committee meeting is ended.
 - f) All requests for paid leave shall be submitted to the Employer as much in advance as possible.
 - g) No individual employee or group of employees shall undertake to represent the Union at meetings with the University without the proper authorization of the Union. In order that this may be facilitated, the Union shall keep the University informed at all times as to the names of its officials, and stewards and members

who may be appointed or elected from time to time, to any committee or to the position of a local Union representative.

- h) Leave with pay granted under this Article shall not extend beyond normal working hours.
- i) The Employer agrees to recognize a Bargaining Committee consisting of not more than 4 elected members, including the Local Union President, of the employees covered by this Agreement, for the purposes of the negotiation of this Agreement. The aforementioned committee shall be given 3 days or 6 half days of time off with pay to prepare the Union's proposals for collective bargaining.

17.03 An employee who is elected or selected for a full-time position with the Union or anybody with whom the Union is affiliated, shall be granted leave of absence without pay and without loss of seniority for up to a period of 1 year in the case of selection and up to 2 years in the case of election. Such leave shall be without loss of benefits provided that the University is reimbursed for the full premium of each benefit to be maintained. An employee will not be granted more than one such leave per year.

17.04 Where the negotiation of additional terms of the Collective Agreement or a letter of Understanding is to be deferred to joint committee work during the term of the Collective Agreement pursuant to an agreement at negotiations, the Union committee members involved will be granted the time during working hours to prepare their proposal. It is understood that the extent of such paid time shall be subject to the mutual agreement of the parties.

ARTICLE 18 – BULLETIN BOARDS

18.01 The Union shall be permitted the use of Departmental bulletin boards for the posting of notices concerning meetings of the Union and other Union business.

18.02 The Union agrees that it will not distribute or post any pamphlets, advertising or political matter, or any other kind of literature on the Employer's property, except as provided above.

ARTICLE 19 – COFFEE BREAKS

19.01 All employees will be allowed a 15 minute break in the morning and in the afternoon.

19.02 Each department will attempt to provide a suitable lunch or coffee break room or designate where such breaks may be taken.

ARTICLE 20 – JOB POSTING

20.01 Should a vacancy occur in a position covered by the terms of this collective agreement, the Employer will post a brief notice of such vacancy on the Human

Resources website for a minimum of seven (7) consecutive days so that members of the bargaining unit will know of it, will be able to make written application, and will be given first consideration in filling such vacancies. The notice shall contain the job title, hiring department, type of appointment and tentative hiring range. A copy of the applicable job description(s) shall be attached to the notice. A copy of the notice and attachment(s) will be forwarded to departments where there is no confidential access to the website. Should a decision be made to revise the job description of a posted position before hiring, the job will be reposted. Original applications will still stand unless an applicant withdraws.

20.01.1 The Employer shall maintain an archive file of all Local 254 job postings which will be made available to the Local President on request.

20.01.2 Bargaining Unit members shall be given first consideration to a posted vacancy in the following order:

a) Employees whose positions have been declared redundant as outlined in Article 26.05;

b) Employees who hold continuing appointments;

c) Employees who hold term appointments.*

* It is agreed that bargaining unit members who hold term appointments commencing on or before April 27, 1993 shall maintain the same posting rights as employees who hold continuing appointments. Any new term employee after that date shall be subject to the job posting provisions described above.

20.02 When selecting an employee to fill a non-supervisory bargaining unit position, all available information will be used in order to determine which employee is qualified to fill the vacancy. The Employer will consider his/her qualifications and education (including those cases where courses are nearly completed but not as yet specifically attained) knowledge, ability to perform the normal requirements of the job satisfactorily and seniority. Where the Employer considers that these qualifications are relatively equal between two or more applicants, seniority shall be the governing factor.

20.03 When selecting an employee to fill a position in the bargaining unit where supervisor responsibilities are an integral part of the job, seniority will be considered, but primary consideration will be given not only to job skills but also to personal qualities such as leadership, reliability, judgement, ability to organize and instruct and an understanding and display of the practice of good human relations.

- 20.04 An employee who holds a continuing appointment and who is the successful candidate for a posted term vacancy within the bargaining unit will require the approval of their Department Head/Designate in order to transfer to that term position. If approval is granted, that employee's continuing appointment will be held for him/her for the duration of the term appointment. At the end of the term appointment, the employee shall revert to his/her regular position.
- 20.04.1 If the ensuing term vacancy created by the above described transfer is voluntarily filled by a bargaining unit member, he/she shall not have the right of reversion to his/her regular position.
- 20.05 The employee shall be placed on trial for a period of 6 months from the time the new duties are assumed. Conditional on satisfactory performance during such a trial, promotion shall be confirmed after the 6 month period. However, should there be indications that the employee may not be satisfactory in his/her new position, the employee will receive a written progress report at least 1 month prior to the end of the trial period. Failure to provide such notification will mean that the employee is automatically confirmed in his/her new position. Should the employee prove to be unsatisfactory during the aforementioned familiarization and training period, or if the employee wishes to revert after a minimum period of 1 month or if the Employer, the Union and the employee agree that the employee should revert, he/she shall be returned to his/her former or equivalent position without loss of seniority and at his/her former rate. Any employee, promoted or transferred because of the re-arrangement of positions, shall also be returned to his/her former or equivalent position without loss of seniority, and at his/her former salary rate. If an employee affected by such reversion has no former position to return to because of being a new hire then this employee will be terminated and the resulting termination will be considered a layoff and severance will be paid in accordance with Appendix B, Chart A.
- 20.06 An employee who has been transferred to a new position must serve at least 6 months in that position. Nevertheless during this time period he/she may make application for job postings which offer him/her a promotional opportunity and, if he/she is the successful applicant, may be granted an exemption from the six-month restriction by mutual consent of his/her Department Head/Designate and the Union.
- 20.07 Prior to any public announcement on the Human Resources website each unsuccessful applicant to a posted position will be notified in writing.
- 20.08 During the probationary or trial period a new employee shall be given the necessary instruction to become familiarized with the job content and their new work environment.

ARTICLE 21 – HEALTH AND SAFETY

- 21.01 It is agreed that both parties hereto will participate and cooperate to the fullest possible extent in the prevention of accidents and the promotion of safety and health at the University.
- 21.02 The University's approach to health and safety matters is governed by the provisions of the *Occupational Health and Safety Act* and its regulations. The Union will provide a representative on the Health and Safety Committees formed under the *Occupational Health and Safety Act*. This representative shall not suffer a loss in pay for time spent attending meetings of the committee and carrying out duties as a worker representative.
- 21.03 The Employer agrees to recognize and deal with a return to work representative as designated by the Union.
- 21.04 The University will provide the employee and the Union with a copy of all forms completed as required in relation to a claim for benefits under the *Workplace Safety and Insurance Act, 1997, SO 1997, c 16, Sch. A*, as amended from time to time (hereinafter, the “*Workplace Safety and Insurance Act*”).
- 21.05 **Domestic Violence:** The University acknowledges its obligation pursuant to the new Domestic Violence provisions under 32.0.4 of the *Occupational Health and Safety Act*.

ARTICLE 22 – UNIFORMS AND PROTECTIVE EQUIPMENT

- 22.01 Where a Department requires an employee to wear a uniform or laboratory coat it shall be the University's responsibility to supply and launder such clothing. The University shall also supply such protective equipment as it deems necessary.
- 22.02 Employees who have been instructed by their Department to wear safety footwear will receive, on the presentation of a receipt, up to one hundred and ninety (\$190.00) per calendar year toward the purchase of a pair of approved safety footwear. In a few cases, a work event may cause sufficient damage to a pair of boots to warrant replacement. Typically, these are one-time events, such as a chemical spill, that damages a boot or a cut or puncture to a boot caused by an equipment failure or other extreme event. Daily wear and tear on the boot does not qualify the wearer for a replacement pair under this article until the next calendar year. The Department will inspect the damaged boots for a safety compromise then will authorize a second reimbursement, on the presentation of a receipt, up to one hundred and ninety (\$190.00) . Upon receiving such a payment the employee will not be eligible for any other safety footwear payments offered by the Employer for 12 months following the purchase of the replacement.

- 22.02.1 Employees who have received money for safety footwear will be required to wear this footwear on the job.
- 22.03 The Department may require an employee to purchase safety lenses in his/her prescription glasses because of the nature of the position. In this case, the department will reimburse the employee to a maximum of \$150, once every 2 years, for the replacement or repair of those prescription safety glasses.
- 22.03.1 The employee will, if requested, leave any protective equipment, glasses or footwear covered under this article, and 100% paid for by the employer, at the University workplace during non-working hours.

ARTICLE 23 – UNION MANAGEMENT COMMITTEE

- 23.01 It is agreed that a joint committee will be established with 4 designated representatives from each of Union and Management. This Committee shall meet as required at a mutually convenient time and date. This Committee shall discuss matters of mutual concern, which matters may not necessarily be covered specifically by the terms of the Collective Agreement. In general, the purpose of the committee is to promote and improve the performance of operations in which the parties are engaged. This committee shall not have the power to add, amend, delete or change any part of the Collective Agreement.
- 23.01.1 Both parties will have the right to invite guests to meetings as required who can contribute constructively to items on the agenda.
- 23.03.2 Agendas of matters for discussion will be exchanged by the Union and the Employer at least 5 working days prior to the meeting.
- 23.03.2 The Employer agrees to encourage the participation of Department Heads or designates whenever possible.

ARTICLE 24 – DISCIPLINE

- 24.01 Prior to attending a meeting with the Department Head/Designate at which discipline may be imposed, an employee is entitled to be notified of the nature of the problem which may result in such action and that he/she must be accompanied by a Union representative at that meeting. In the matter of a discharge, the employee shall be accompanied by a Union representative and the Union shall be notified of the time and date of such a meeting by the Department Head/Designate. A copy of any disciplinary warning or notice of suspension or discharge shall be forwarded to the Union.
- 24.02 Should the employee wish to respond in writing to any written warning, such response shall become part of his/her record.

- 24.02.1 A disciplinary notation from an employee's record shall not be used against this person more than 2 years after the date of issue.
- 24.02.2 Disciplinary measures should be appropriate to the infraction and the principles of progressive discipline.
- 24.03 Each employee has the right to review his/her personnel file in the Human Resources Department.

ARTICLE 25 – POSITION DESCRIPTIONS, POSITION EVALUATIONS AND SALARY ADMINISTRATION

- 25.01 A description of each position under the jurisdiction of the Union will be prepared and maintained by each department and submitted for evaluation as required.
- 25.02 Position descriptions will be typed on the standard form (see Appendix A). Individuals in the positions will be encouraged to participate in the preparation of the descriptions. Each description will be reviewed and signed by the employee, the immediate supervisor and the Department Head/Designate. The supervisor and the Department Head/Designate in approving the description agree that the position has been adequately described. The employee may agree or disagree that the description is accurate, but must sign the description to indicate that he/she has read it. The description must be sent to Human Resources within 7 days of the last signature being added to it. Copies of approved position descriptions will be sent to the Union Office by Human Resources within 7 days of receipt.
- 25.03 Position descriptions will be submitted to the Human Resources Department for evaluation by the Joint Technical Position Evaluation Committee:
 - a) When the duties of a position change substantially as referred to in Article 4.03. Questions concerning the need for this action should be addressed by the Department Head/Designate, supervisor or employee to the Chairperson of the Joint Technical Position Evaluation Committee.
 - b) When a newly-created or substantially changed position is being posted for hiring. In this case a tentative position description will be submitted to the Chairperson of the Joint Technical Position Evaluation Committee who will determine an appropriate tentative salary range for hiring.
 - c) When a Department Head/Designate requests a re-evaluation on his/her own behalf or on that of a supervisor or employee on the grounds of a conviction that an earlier evaluation was inappropriate.
 - d) At the beginning of the thirteenth (13th) month after the start date of any new appointment to a position in the bargaining unit or after a position comes under the jurisdiction of the bargaining unit.

- 25.03.1 Human Resources will notify the Department Head/Designate, the incumbent and the Union upon the evaluation of a job becoming 5 years old. Within 30 calendar days of receipt of this notification, the Department Head/Designate must review the job description and advise Human Resources as to whether the job description is still accurate or whether it needs to be updated. Human Resources will notify the Union of the position description status within 14 days of receipt of the response from the Department Head/Designate.
- 25.04 Effective January 1, 1985, in the case of a routine re-evaluation which results in a salary increase, the increase will be made effective as of the first of the month in which the last required signature was added to the job description. In the case where the evaluation was one required to be carried out by Article 25.03 (d), any resulting salary increase will be made retroactive to the date of the event which caused the evaluation. In the case where duties are formally changed as of a certain date, any salary increase resulting from the subsequent evaluation of the changed position will be made effective as of the date the duties were changed. Such changes are those which would require notification under Article 25. In the case where the rating of a position was based on a tentative evaluation and the committee's evaluation was lower, then the incumbent's salary will not be reduced.
- 25.05 The fact that a position is described as including certain duties and responsibilities does not restrict the Department Head/Designate or supervisor from changing those duties and responsibilities. In cases where an employee feels that the current description of his or her job is out of date, is being prepared for evaluation but is incomplete or inaccurate, that duties are being changed but not reflected in an updated job description or that unreasonable delay is being encountered in having a description forwarded for evaluation, the employee will notify the Union executive. A member of the Union executive and a member of Human Resources will meet with the employee and the Department Head or his/her designate to resolve the problem.

Position Evaluation

- 25.06 Position descriptions will be evaluated by the Joint Technical Position Evaluation Committee. The Committee will include 3 members elected or appointed by the Union, 2 members appointed by the University and a representative from the Human Resources Department who shall be Chairperson.
- 25.07 The length of service on the Committee by a Union member will be 3 years, with 1 member being replaced at an interval of not less than every year.
- 25.08 Union members of the Committee will participate without loss of pay and the cost of any training will be borne by the University.
- 25.09 Upon completion of the evaluation of a position, the Committee will assign a point rating to the position using the Queen's University Modified Hay Guide Chart System

as in effect at the date of ratification of this agreement. This rating will be used in determining the appropriate salary ranges for the position. Results of position evaluations will be made available immediately to Department Heads/Designates, the Union Local, and individuals in the affected positions.

Salary Administration

- 25.10 The Department of Human Resources will determine a minimum rate for each Union position using the position rating produced by the Joint Technical Evaluation Committee.
- 25.11 Within the term of this agreement the salary range for each position will be from a minimum to a maximum (125% of the minimum). No employee's salary will be lower than the minimum for his/her position, nor shall any employee whose salary is currently below the maximum be progressed beyond the maximum.
- 25.12 Steps will continue to be 3% of the minimum salary rate.
- 25.13 Experience credit for new employees or for those being transferred or promoted to new positions will be determined by the Human Resources Department, in consultation with the Department Head/Designate. Evidence of previous employment may be requested from job applicants or present employees.
- 25.14 At the time of hiring into a position in the bargaining unit, new employees will be given salary credit for previous experience at the rate of a one-half (1/2) step per year of relevant experience outside Queen's (to a maximum of 1 step) and minimum of 1 step per year of relevant experience at Queen's.
- 25.14.1 Upon promotion to a higher-rated position, when re-evaluation of a position results in a higher rating, or in the case of an employee voluntarily accepting a lower-rated position, the new salary will be set at the same compa-ratio in the new salary range as it was in the former salary range, so long as this is in accordance with Article 25.15.
- 25.14.2 In the case of a re-evaluation which results in a lower point rating, the incumbent's salary will not be reduced. If the incumbent's salary prior to re-evaluation is above the range maxima for the new rating, his/her salary will remain unchanged until the range maxima for the new point rating exceeds the incumbent's salary.
- 25.15 No salary adjustment will take place to any point beyond the maximum of the range. This Article is not intended to limit annual scale increases.
- 25.16 Each employee will be informed of the salary range for his/her job and the number of points assigned to the job by the Joint Technical Position Evaluation Committee. Such information shall also be supplied to the Union.

25.17 General information about salary ranges including minimum and maximum for a specific job may be published by either party to this agreement. Each member of management will receive detailed salary information concerning members of the bargaining unit for whom he/she is responsible and a general summary of salary information of the whole bargaining unit.

25.17.1 Full salary information concerning all members of the bargaining unit will be available to the Union.

25.25 Acting pay is additional salary paid to an employee who is temporarily assigned, by his/her supervisor, duties of a higher evaluated position which, if included in the employee's job description, would raise the evaluation of the employee's job description.

25.25.1 When the assignment of these additional duties is for a period of less than 2 months, the employee will be paid acting pay for each day in which the additional duties are performed, such pay to be at a rate equivalent to 3 percent of their normal salary. Where it is foreseen that these duties will be performed by the individual for 2 months or more a description of the individual's job, including these new duties, will be written and sent to the Chairperson of the Joint Technical Position Evaluation

Committee for a tentative evaluation. In this case, the salary rate will be calculated as in Article 25.14.

- 25.25.2 Payment of additional funds will cease once the department no longer requires the individual to perform these additional duties.

ARTICLE 26 – TECHNOLOGICAL OR OTHER CHANGES

- 26.01 The Employer agrees that before the University would ever contract out work currently performed by members of this bargaining unit the matter would be discussed at least 60 days in advance with the Union to provide it with adequate opportunity for discussion, input and suggestion.
- 26.02 The Employer will notify the Union at least 6 months before the introduction of any major technological change which will change the duties and the evaluation of the position held by any employee.
- 26.02.1 The Employer will report to the Union/Management committee as soon as possible, but not later than 3 months after the notice being given, on the specific steps which will be taken to protect the employee concerned.
- 26.03 The Employer will notify the Union at least 3 months before the introduction of any organizational or operational change which will change the duties and the evaluation of the position held by any employee.
- 26.03.1 The Employer will report to the Union/Management Committee the specific steps which will be taken to protect the employees concerned from any adverse effects of the changes at least 2 months prior to any of the changes being incorporated.
- 26.04 Should technological, organizational or operational change make it necessary for an employee to acquire additional or greater skills to perform the duties of his/her position or a new position created by the changes covered in Article 26.02 and 26.03, the affected employee will receive the required on-the-job training or, if the Employer deems necessary, training elsewhere up to 1 week in length at the expense of the Employer.
- 26.05 An employee who is displaced from his/her regular position because of technological, organizational or operational change will suffer no reduction in his/her normal earnings and will remain employed in a position covered by this Collective Agreement. The employee who is displaced will be considered automatically before posting any vacancy if the employee has the minimum required qualifications. The employee shall have the right to refuse to accept the first position offered under this Article. However, following one such refusal, the employee must accept the next vacant position for which he/she is qualified.

ARTICLE 27 – EDUCATION AND TRAINING

27.01 *Tuition Assistance Program*

Continuing employees covered by this Collective Agreement are covered by the University's Tuition Assistance Program as described in Appendix F.

27.02 Where training is to be offered to an individual within the department, and where the Employer believes that two or more employees will have equal opportunity to apply such training in their regular duties, then the training will be offered to the appropriate employees in order of their seniority.

APPENDIX C – EMPLOYEE AND FAMILY ASSISTANCE PROGRAM

C.U.P.E. Local 254 shall elect or appoint its representative to the joint E.F.A.P. administrative committee, established by the University, for the purposes of implementing and monitoring an Employee and Family Assistance Program.

APPENDIX D – SELF-FUNDED LEAVE PLAN

General

1. Recent amendments to the *Income Tax Act* have allowed Queen's to establish a plan which will provide tax relief to Employees who wish to self-fund a leave of absence.
2. This document describes the general terms, and administration of a self-funded leave plan. The precise terms and conditions governing the plan are set out in a formal agreement which the Employee will be required to sign prior to joining the plan. In the event that the self-funded leave plan, as described in this document or in the formal agreement with the Employee, conflicts with the *Income Tax Act* or any other legislation, that legislation shall take precedence.
3. The plan is solely a means to fund a leave of absence. The provisions of the plan do not alter existing policies set out in the Staff Policy Manual for Support Staff, or the Collective Agreements between the University and its Bargaining Units.
4. Under this plan, a part of an Employee's salary entitlement for a specified period would not be paid to the Employee, but would be put into an interest-bearing trust fund. At the end of the specified period, the Employee would go on leave of absence and be paid the amount set aside in the interest-bearing trust. For example, under this plan, an Employee may work full-time for three years, but receive (and pay tax on) only 75% of his/her normal salary. The remaining 25% would be held in an interest-bearing trust for the Employee. In year four, the Employee would go on leave of absence and receive the amounts which has been set aside in the previous years. (The 75%/25% are used to illustrate how the program works.) The Employee has many options for the deferred amount and the length of the leave. Restrictions on length of leave, the amount of salary deferral and deferral period are outlined in the following section *Terms and Conditions*.
5. The tax advantage to this program is that the Employee may earn income in 1 year, but not pay tax on that income until a subsequent year. Also, by receiving 75% of full-time salary for four years instead of 100% salary for three years, the Employee may possibly end up in a lower tax bracket and pay less total tax on the same total salary.

Terms and Conditions

1. The purpose of the plan is to fund a leave of absence. It is not intended to help fund a retirement or other permanent separation from the University. Upon completing the leave of absence, the Employee must return to the University for a period equal to or greater than the duration of the leave.
2. Deferral of salary may not exceed 33.33% of earned salary. The Employee may defer any fraction which is less than this percentage. The deferred amount will be held in trust by

the Bank of Montreal in the name of the Employee. Interest, based on the Bank of Montreal Savings Account rate, will be paid to the Employee in a lump sum at the beginning of the leave period. The interest received is taxable and the amount will be reported to the individual's personal tax return for that year even though he/she has not received payment. The amount of interest earned will be reported to the Employee on a T5 form each year.

3. The leave must be at least 6 months, and no longer than 1 year. The leave must start within 6 years of the date of the first deferral.
4. During the years that an Employee is participating in the self-funded leave plan, CPP must be based on actual earnings and EI on nominal earnings. Life insurance benefits may be based and supported by the University on nominal earnings (100%). Supplementary Medical, Dental and Semi-Private Hospitalization, because they are flat rates, will remain the same and will continue to be supported by the University. Long Term Disability benefits will be based on nominal earnings, so that if an individual were to become disabled during the deferral period of their leave, then full salary would be insured. Premiums will continue to be paid in full by the Employee. An Employee may also have the choice of contributing to the pension plan, based on their nominal or actual salary for the full term of the program (if allowed by Revenue Canada), with continued University support. Arrangements must be made before the leave for an Employee to pay his/her share of the premiums for their chosen benefit coverage.
5. Leaves must be taken at the end of the deferral period. The Employee may not, for example, take a leave in year two and then pay the University back over the next three years.
6. During the leave, the individual may not be employed by the University in any capacity, even if that employment is casual and unrelated to his/her normal duties.
7. It is expected that an individual will continue to be committed to his/her plan for self-funded leave. However, in the case of unforeseen or extenuating circumstances, an Employee may withdraw from the plan prior to taking his/her leave of absence, provided that he/she notifies the Department Head/Designate and the Plan Administrator in writing. The accumulated salary deferral less required tax withholdings plus current year accrued interest will be returned to the Employee upon withdrawal. Withdrawal from the plan does not prevent the Employee from entering a new plan at a later date.

Eligibility

1. The plan is available to all Union and Non-Union support staff with a continuing appointment with the University.

Application Process

1. Initial approval must be given by the Employee's Department and final approval given by the appropriate Dean or Vice-Principal. Denial at either stage shall not be considered a violation of the agreement. However, approval will not be unreasonably denied.

Other Matters

1. On return from leave, an Employee shall be assigned to the same position, or an alternative position mutually agreeable to the Employee and the University at the same level as that held prior to going on leave. An Employee participating in this plan shall not suffer a penalty in compensation or benefits should a delay be caused by the University in returning the Employee to their former position or an alternate position after the completion of their leave.
2. An Employee participating in the plan shall be eligible, upon return from leave, for any automatic increase in salary that would have been received had the leave not been taken. Vacation entitlement shall not accumulate, but service credit will continue to accrue during the time spent on leave. If an individual becomes ill, no sick leave will be charged during the duration of the leave - sick leave will commence on the individual's return date.
3. If an individual becomes pregnant prior to taking her leave, she may opt out of the plan, continue with the plan, remain in the plan, but stop contributions while on maternity leave and experience a smaller accumulation amount in her account, or she may extend the deferral period.
4. Should an Employee die while participating in the plan, any balance in the Employee's account at the time of death shall be paid to the Employee's estate.
5. An Employee shall assume the responsibility of making himself/herself aware of the implications of the plan related to its effects on pension provisions and income tax. Those wishing to participate in the last 5 years before retirement should take care to look into the implications of doing so.
6. Participation in the plan shall not enlarge or establish any rights to employment, with the University which the member did not formerly possess as an employee of the University.
7. No amendment to the plan initiated by the University shall operate to reduce the benefits accruing to Employees who are enrolled in the plan at the time of amendment.
8. This plan is administered by Human Resources. Questions regarding this policy, including about benefits plans should be addressed to Human Resources. Questions regarding the Pension Plan should be addressed to Pensions, Investments and Insurance.

Regulations governing this plan are available on request.

This plan remains in effect from July 1, 2014 until June 30, 2018.

APPENDIX E – DENTAL PLAN

The dental plan will be in effect for all eligible employees and dependents. This includes employees who are either full-time, part-time with continuing appointments, term appointments of more than 1 year, or a Reduced Period of Responsibility appointment. Eligible dependents include spouse and children under 21, or under age 25 if in school.

In addition to the above basic coverage, the plan includes major restorative coverage at 75% co-insurance, with an annual maximum of \$3,000.00 per person. Details regarding the procedures that are included in the major restorative coverage will be available in Human Resources.

The above plan includes orthodontic coverage at 50% coinsurance with a lifetime maximum of \$2,000.00 per person. Coverage does not apply to dependent children under the age of 6.

APPENDIX F – TUITION ASSISTANCE PROGRAM

POLICY

The Tuition Assistance Program supports Queen's commitment to the development of employee skills and abilities. Departments are asked to endorse employees who wish to enrol in academic courses or attend training courses that will enhance their personal growth or ability to perform their duties.

The Tuition Assistance Program is divided into 2 components - the Educational Development Fund which pays tuition fees for Queen's credit courses, and the Professional Development Fund which reimburses tuition fees (to a maximum of \$400 per year) for work-related courses at other recognized educational institutions.

PROCEDURES

Educational Development Fund (Queen's credit courses)

Eligibility

Within the limits defined by this policy, all eligible Queen's University employees are entitled to have the payment of tuition fees for Queen's credit courses waived at the time of registration. Eligibility for tuition payment waiver will commence after 1 year of continuous employment at Queen's University. Generally, eligibility includes:

- general staff (continuing, term, research grant and contract) with appointments of 40% time or more;
- members of C.U.P.E. Local 229, 254 and 1302;
- other employees (e.g., librarians, archivists) with continuing and term appointments of 40% time or more;
- academic and adjunct academic staff as defined in Article 12 of the QUFA collective agreement with appointments of 40% time or more.

Individuals employed on contracts who are not considered as part of the general staff (e.g., post-doctoral fellows, visiting researchers and scholars, undergraduate and graduate students, academic assistants and instructors, adjunct academic staff, and casual staff) are not eligible for tuition payment waiver under this policy.

Certain units occupying space on the campus of Queen's University are not subject to this policy. For a current listing of affiliated organizations, please refer to the Human Resources website (www.queensu.ca/humanresources). The individuals employed by these organizations are not Queen's employees.

Eligibility for tuition payment waiver will be confirmed by Human Resources at the time of course registration and is based on the employee's employment status during the course offering.

Access

Per year (September to September), payment of tuition fees will be waived for all eligible employees to a maximum of the equivalent dollar value of five full-credit undergraduate Arts & Science courses (based on the fee schedule for Canadian students). The amount of assistance will be prorated to correspond with an employee's terms of appointment. For example, an employee who has a 60% appointment could waive payment of tuition fees to a maximum of sixty percent of the dollar value of five full credit undergraduate Arts & Science courses.

Fees for students in a graduate degree program are based on term fees and not by individual courses; therefore, payment of tuition fees to the maximum already noted will be waived for a graduate degree program. Any additional fees will be the responsibility of the individual employee. The assistance is limited to 5 years of continuous registration for a master's degree program and seven years of continuous registration for a doctoral degree program. Fees related to non-credit or audited courses are not eligible for tuition assistance and must be paid by the employee at the time of registration.

While departments are encouraged to allow employees to attend training programs on work-time, the University recognizes that operational requirements must also be met. Therefore, subject to the approval of the Department Head, employees (continuing and term) may have a maximum of 3 hours of release time from work per week to attend classes at Queen's University. This approval may be granted provided that such leave will not unreasonably disrupt the normal operations of the department nor place an unfair burden on remaining staff members. Special circumstances must be negotiated with the Department Head. Requirements for course work in addition to lecture hours (e.g., lab work, library research, study time) are to be met outside of working hours. When the examination for a course being taken by an employee is scheduled during the employee's normal working hours, release time from work will be granted.

For contract employees, time taken for courses during normal working hours (to the maximum of 3 hours per week) shall be made up at times agreeable to the P.I., unless this requirement is waived by the P.I. (e.g., because the course is directly job-related).

Tuition Assistance Tracking System

A tuition assistance tracking system will be established for each eligible employee. This tracking system will contain a dollar amount equal to 5 full-credit undergraduate Arts & Science courses (based on the fee schedule for Canadian students) times the percentage of the employee's appointment. When an employee accesses the Educational Development Fund, their record in the tuition assistance tracking system will be reduced until it reaches a zero balance. Once an employee's record reaches zero, s/he will be fully responsible for paying any further tuition

fees, at the time of registration. If an employee drops a course, their record in the tracking system will be reduced by the course fee, in line with the University's drop policy. If an employee fails a course, the full tuition fee will be deducted from their record. The employee will not be required to pay any course fees for dropped or failed courses unless their record in the tracking system is at zero.

Records in the tuition assistance tracking system will be refreshed each September.

An employee may not transfer or carry forward any unused amounts in his/her record, nor borrow against the next year's amount. Transfer of amounts from one employee to another is also not permitted.

Enrolment

- In order to have payment of tuition fees waived, employees will require an authorized Tuition Fee Waiver form. This can be obtained from Human Resources.
- The same application/registration procedure is required of employees as for any other student.
- Obtain the application/registration materials from the appropriate Faculty office.
- Hand in the completed registration form to the appropriate Faculty office, which will authorize and forward it to the Registrar's Office. Attach your Tuition Fee Waiver form to your registration form. Please note that you will be required to pay your tuition fee if you do not have a completed Tuition Fee Waiver form.
- Early application/registration is advisable.

Questions about registration requirements should be directed to the appropriate Faculty office.

Exclusions

Student activity Fees, Admission Fees, Late Registration Fees, material, lab, administration or any other ancillary fees are not covered under this policy and payment of such fees are the responsibility of the employee.

Employees in graduate courses will be assessed activity fees by the Society of Graduate and Professional Students.

Opting out on payment of these fees is the responsibility of the employee. These fees are not covered under this policy.

Other

All admission and registration requirements are the same as those for regular students. In addition, staff are subject to the same academic and fee assessment criteria as outlined in the Faculty calendars.

Questions regarding the Educational Development Fund should be directed to Human Resources.

PROFESSIONAL DEVELOPMENT FUND

Eligibility

All eligible Queen's University employees, as previously defined under the 'Educational Development Fund' are entitled to reimbursement of their tuition fees (to a maximum of \$400 per year))for job-related courses taken at other recognized educational institutions.

Conference, seminar, or workshop registration fees are not eligible for reimbursement through the Professional Development Fund. Departments sending their employees to such programs may pay these fees from their departmental budgets.

Access

Eligible employees will be reimbursed external tuition fees to a maximum of \$400 in 1 year (a year being September to September) upon successful completion of a job-related course. Any additional fees will be the responsibility of the individual employee.

Release time from work to attend classes requires the written approval of the Department Head. Normally, this approval will only be granted for a course which is directly related to the employee's present job and which is not offered at any other time.

Reimbursement

To receive reimbursement, eligible employees will advise the Learning and Development Specialist of their course selections, and submit copies of their registration forms accompanied by original receipts by the following deadlines:

Fall term courses - September 30th

Winter term courses - January 31st

Spring term courses - May 31st

The Learning and Development Specialist will determine if a course is job related and, therefore, eligible for reimbursement. This will normally occur at the time of course registration.

Auditing, material, student interest and other ancillary fees are not eligible for reimbursement and are the responsibility of the employee.

Upon successful completion of a course, a copy of a transcript or other official document will be forwarded to the Learning and Development Specialist to obtain reimbursement of the tuition fees.

- A. The support allowance can be applied to full-time or part-time undergraduate, graduate, and professional programs offered for credit at Queen's University or any other recognized university or college (as defined below). The maximum allowance under this plan is \$4,000 per academic year, per student. If a student has full-time student status the benefit will not be prorated based on course load. In the case of students in a part-time program, the payment will be prorated to the number of courses required for the full-time programs at that institution. Employees who work less than full-time will have their allowance prorated to reflect the same percentage as time worked (e.g. 80% time appointment, 80% of \$4,000).
- B. To be eligible, the student must meet the admission requirements of the program and maintain academic standing at the institution that they are registered.
- C. If an employee as defined in Item 1 dies while in service to the University his/her spouse is eligible for this benefit for the first 5 years following the death of the member and his/her dependent children are eligible as defined below.
- D. Allowances will be made in two instalments. An initial instalment will be made upon confirmation of registration for the fall term and once the balance of the fund has been calculated and prorated among the number of applications if applicable. This sum shall not exceed \$2,000 per student. A second and final instalment will be made upon confirmation of registration for the winter term and once the balance of the fund has been calculated and prorated among the number of applications if applicable. This sum shall not exceed \$2,000 per student. Students will be required to provide proof of continuing academic standing at their institution for all academic terms.
- E. Students who are attending an institution where the first term begins during Queen's winter term will receive the calculated amount for the first instalment (to a maximum of \$2,000) for this term. The amount paid for the second term would be the amount calculated for the Queen's winter term (up to a maximum of \$2,000) to be paid during

the next Queen's fall term. These applications should be submitted manually by contacting Human Resources directly.

- F. Claimants will provide any and all documentation as required to administer this plan.
- G. There are a number of similar plans with different employee groups at the University. If both parents are employees of Queen's University and each parent is covered under this plan or under a separate plan, only 1 claim per dependent/child will be reimbursed by the University.
- H. All documentation must be received by the Office of the University Registrar by November 30 for the fall term and by March 31 for the winter term.
- I. Human Resources will provide a preliminary summary report to the President or designate, CUPS Local 254 by April 10th, detailing the names of the applicants, the amounts approved, and in the case of a rejected application, the basis upon which the application was denied.
- J. This is a taxable benefit.
- K. The nominal value of the fund established for this plan is \$60,000.00. Effective July 1, 2011 the nominal value of the fund established for this plan will increase to \$80,000.00. Effective July 1, 2012 the nominal value of the fund established for this plan will increase to \$90,000.00. Effective July 1, 2013 the nominal value of the fund established for this plan will increase to \$100,000.00. In the event that the value of the eligible claims is less than the total amount available then the surplus will be carried forward to the next year or transferred in whole or in part to the Child Care Support Plan (CUPE Local 254) as requested by the President or designate, CUPE Local 254 no later than April 15th. Should the eligible claims exceed the total amount available per year then the fund will be reviewed and amounts will be prorated based on the number of eligible claims.
- L. The funds available for this plan will be reviewed prior to fall and winter payments to ensure appropriate distribution and allocation of all funds.

Definitions:

- **Dependent children:** natural, step, common law, adopted children, or wards under the age of 25 prior to September 1 in the year of application will be eligible to apply for fall and winter reimbursement.
- **Spouse/partner:** a legal spouse, or common law spouse or partner.
- **Fall Term:** This period covers September through December; courses taken during this period shall not exceed the maximum allowance of \$2,000 per student.

- **Winter Term:** This period covers January through April; courses taken during this period shall not exceed the maximum allowance of \$2,000 per student.
- **Full-time Student Status:** Full-time status as defined by the attending institution.
- **Prorated allowance (available funds):** Payment is prorated among the number of applications and available funds.
- **Prorated allowance (course load):** Is payment made for students in a part-time program; percentage of course load is determined by the attending institution. (e.g. 80% course load = 80% of allowance).
- **Prorated allowance (employees who work less than full-time):** Payment is prorated to reflect the same percentage as time worked. (e.g. 80% time appointment = 80% of allowance).
- **Recognized university or college is an institution that:**
In Canada is a member of, or eligible for membership in, Universities Canada (formerly the AUCC) or Colleges and Institutes Canada (formerly the ACCC), and in the United States conforms to the various general guidelines of accreditation used by American universities and colleges and outside Canada and the United States the recognized accrediting body, if any. Where i) students undertake study outside Canada and the United States where no recognized accrediting bodies exist, or ii) where students undertake study in discernibly high quality non-university or college based programs, students will apply on a case by case basis to the Office of the University Registrar.

This letter confirms the agreement between the Employer and the Union that the 5/12 employee portion of the University's EI premium reduction will be used by the University to support the following employee benefit plans, as set out in the collective agreement between CUPE and the University:

- Short-Term Sick Leave;

LETTER OF UNDERSTANDING RE: ARTICLE 25.24

LETTER OF UNDERSTANDING

RE: Article 25.24

Between

Queen's University

And

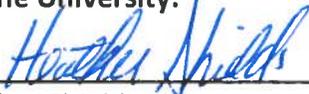

C.U.P.E. Local 254

In the course of discussions held during negotiations of a renewal Collective Agreement that would succeed the 2010-2014 Collective Agreement, a concern was raised by CUPE Local 254 regarding the differential method of calculating increases to the minimum rate for jobs with less than 314 points and those jobs with 314 points or more.

It is the desire of both Parties to ensure that the differential method of calculation complies with pay equity legislation. Within 12 months of ratification, the University will complete a review of the method to ensure pay equity compliance. In the event that it is not compliant, the University will make any and all adjustments required to ensure pay equity compliance.

Further, the Parties agree that within 24 months of ratification, the University will provide the Union with the costing associated with eliminating the differential method referenced in paragraph 1.

LETTER OF UNDERSTANDING RE: EMPLOYEE GROUP BENEFIT PLAN

LETTER OF UNDERSTANDING

RE: Employee Group Benefit Plan

Between

Queen's University

And

C.U.P.E. Local 254

WHEREAS in the course of negotiating a renewal Collective Agreement that would succeed the 2010-2014 Collective Agreement, Queen's University and CUPE Local 254 (the "Parties") discussed the Employee Group Benefit Plan (the "Plan");

AND WHEREAS the Parties expressed a mutual interest in reviewing the Plan for the purpose of improving the benefit package available to CUPE Local 254 members with a view to maximizing value without adding expense to the Plan as measured by the associated premiums that are University-paid, University/Member paid and/or Member-paid;

NOW THEREFORE the Parties agree as follows:

1. The Parties agree that, by January 30, 2016, they will commence a review of the Plan via a multi-employee group Employee Benefits Committee.
2. The review, as referenced in the recitals of this LOU, shall comprise a review of the Plan design where for purposes of this LOU, the Plan is comprised of the items listed in the Collective Agreement at Articles 15.01 (b), (c), (d), (e) and Appendix E.
3. Following a review of the Plan design, the University shall conduct a formal Request for Proposals ("RFP") with regard to the Plan, and such RFP process shall be conducted in accordance with and be governed by the policies and procedures set out in the Queen's Procurement Policy and the Broader Public Service Procurement Directive. The multi-employee group Employee Benefits Committee shall recommend criteria to be used in evaluating vendors who participate in the RFP process.
4. The University will maintain sole discretion and final responsibility with regard to:

- (a) The selection of a preferred vendor(s) following a RFP process as contemplated at paragraph 3 of this LOU;
- (b) The negotiation of a contract(s) with the vendor(s); and

Memorandum of Agreement (“MOA”)

between

Queen’s University (the “Employer”)

and

Canadian Union of Public Employees Local 254 (the “Union”)

re: Pension Negotiations

August 13, 2015

WHEREAS the Employer and the Union (collectively, “the Parties”) acknowledge that should the Queen’s Pension Plan (known as the Revised Pension Plan of Queen’s University, or QPP) not change its structure to that of a formally recognized jointly sponsored pension plan (JSPP), the Ontario government will require Queen’s University to make special solvency payments into the QPP;

AND WHEREAS the Parties further acknowledge that they therefore have a shared interest in achieving permanent exemption from having to fund pension obligations on a solvency valuation basis by changing the plan structure to that of a formally recognized jointly sponsored pension plan (JSPP) model;

AND WHEREAS the Parties welcome an opportunity to enter into constructive discussions regarding long-term pension benefit sustainability;

AND WHEREAS the Parties recognize that recent changes to the Pension Benefits Act have created a framework for Ontario university sector Plan sponsors to consider changing their plan structure to that of a formally recognized jointly sponsored pension plan (JSPP) model.

AND WHEREAS the parties are actively participating in the University Pension Project (“UPP”) discussions being coordinated by the Council of Ontario Universities and the Ontario Confederation of the University Faculty Associations and directed at creating a sector-specific JSPP which will be acceptable to the Parties and to both the provincial government and pension regulators

AND WHEREAS the Parties note that the “Shared Principles” endorsed by the COU and OCUFA are as follows:

- i) Participation in a sector-wide or multi-employer JSPP, as defined by the Pension Benefits Act, will be voluntary and open to all pension plan types and all employee groups.
- ii) A university-sector or multi-employer JSPP will be non-statutory (which means that it will be negotiated by the parties that will be joining the plan).
- iii) A university-sector or multi-employer JSPP will receive an exemption from solvency valuations and funding.
- iv) A university-sector or multi-employer JSPP will include a guaranteed formula pension.
- v) A university-sector or multi-employer JSPP will be fully funded on a going concern basis at inception.
- vi) Under this new equal partnership arrangement, each of the parties involved (plan members and their representatives, plan sponsors and administrators, and government) need to understand the potential benefits and negative implications of any proposal to create a university-sector or multi-employer JSPP, so that an informed decision as to whether or not to proceed can be made.

NOW THEREFORE the Parties do hereby agree as follows:

1. The Parties acknowledge that the recitals set forth above are true and correct and further, the Parties understand and agree that such recitals are hereby incorporated into and form part of this Memorandum of Agreement;
2. This Memorandum of Agreement shall form part of and be incorporated into the Memorandum of Agreement "On All Issues Regarding Negotiations of a new Collective Agreement" reached between the Parties regarding the renewal of the Collective Agreement between the Parties;
3. The Parties reconfirm their commitment to supporting the current phase of the UPP through to its concluding report to the Ministry of Training, Colleges and Universities and agree to participate in the UPP's "design finalization process" commencing in the early fall of 2015, concluding by November 30, 2015 (or such later date as may be agreed). The Parties further understand that the "design finalization process" shall be conducted with the assistance of a facilitator, appointed with the consent of those involved, and agree that once the "design finalization process" has successfully concluded by producing a plan that is satisfactory to them, each will participate in the "Build" phase of the UPP.
4. If at any time during the term of the renewed Collective Agreement the UPP concludes without producing a new University Sector Pension Plan, or if the new University Sector Pension Plan fails to receive the necessary consent and

approvals of its prospective sponsors and members, including those of the Parties themselves, then the Parties agree in the alternative to exploring a merger of the QPP into an existing and mutually acceptable JSPP.

5. The Parties agree to establish jointly with USW, QUFA, ONA, OPSEU, and PSAC and actively participate in a Joint Working Committee (JWC) for the purpose of evaluating alternative pension options, including a merger with a mutually acceptable Jointly Sponsored Pension Plan ("JSPP") such as the University Pension Project. The mandate of the JWC shall provide that:
 - a) The JWC shall be composed of an equal number of representatives of the University and representatives of employee groups proportional to plan membership;
 - b) The JWC shall be constituted and operational within three (3) months of the ratification of this MOA by all the parties, and shall establish graduated terms of reference that will initially focus on the progress of and communication with respect to the University Pension Project; as necessary, the terms of reference shall include consideration of required documentation and data; analysis to be undertaken; costs, if any, to be covered by the University; and administrative support;
 - c) The JWC shall provide an interim report on the progress and status of the University Pension Project no later than January 31, 2016 and continue to report every three months thereafter until the mandate of the JWC is concluded;
 - d) The JWC report must be agreed to by both the Employer and Employee representatives separately;
 - e) Until the JWC reports, no modifications shall be made to the QPP other than Plan amendments that are required to comply with applicable legislation, irrespective of any legislative or regulatory provisions that may authorize modification outside the process of collective bargaining as prescribed in the Labour Relations Act;
 - f) All analyses and other types of professional services that the JWC agrees to be required shall be deemed a legitimate expense of the plan and settled out of QPP fund resources;
 - g) Any recommendations that arise from the JWC will be made by December 31, 2017 unless otherwise mutually agreed by the Parties; subject to ratifications/approvals by all parties; and subject to compliance with legal requirements, including the Pension Benefits Act and the Income Tax Act.

6. Recommendations by the JWC to their respective principals to merge the QPP with a mutually acceptable JSPP, may be implemented only through collective bargaining or a mutually agreed alternative process.
- a) If a recommendation to merge the QPP with a JSPP is issued by the JWC more than six (6) months prior to the expiry of the 2014-18 Queen's-CUPE 254 Collective Agreement, then the Parties may negotiate the terms of such a merger and amend the existing Collective Agreement as appropriate, recognizing that such a merger and its terms would be subject to ratification by the Board of Trustees and the applicable bargaining units. In this case, if no agreement can be reached on the terms of the merger, no amendments to the Collective Agreement shall be made.
 - b) If such an agreement in principle to recommend merger is reached within six (6) months of the expiry of the 2014-18 Queen's-CUPE 254 Collective Agreement, then the Parties shall negotiate the terms of such a merger as part of the negotiations for a renewed Collective Agreement, recognizing that such a merger would be subject to ratification by both the Board of Trustees and the applicable bargaining units.
 - c) The University will not initiate the formal consent procedure for the merger until bargaining has concluded, whether for the renewal of the Collective Agreement or for a separate merger agreement

THE PARTIES FURTHER AGREE that the goal of the process outlined in this Memorandum of Understanding is a common understanding of issues and choices going forward, in order to achieve a sustainable, efficiently and effectively managed Pension Plan that continues to provide members the ability to retire with dignity and have a secure foundation for their retirement income which is a vital component for members of our community as they enter into retirement.

THE PARTIES FURTHER AGREE that they look forward to working together to establish a constructive and inclusive forum to address the complex and vitally important issues that are related to ensuring the long term sustainability of the Plan.

THE PARTIES FURTHER AGREE that should they fail to reach an agreement to merge the QPP with the mutually acceptable JSPP by the expiry of the renewal Agreement then the Parties agree to discuss and negotiate certain changes as may be needed to support the sustainability of the QPP.
